Company History

Green Technology was founded in earlier 2017. Founder Engr. Sheikh Md Sayeedur Rahman, Co-Founder Engr. Hasan Mahmud Ansary, Co-Founder Engr Munmun Sheikh put together their effort to launch a great idea in Service Industry of Engineering segment in Bangladesh.

Primarily, Green Technology had provided service, maintenance and spare-parts support for Air-conditioners as a pilot project.

After successful completion of that pilot project, **Green Technology** briefly formed with a Board-of-Partners panel to extend its business prospects and Product line-up.

Green Technology have commercially started its operation at the end of **2016** with a belief of providing best service experience to **Industrial Air-conditioning System, Consumer Electronics Products and services.**

Green Technology is not only an Air-conditioning Solution but also a-whole corporate body to give best delivery to Corporate and Retail customer's demand.

What the company does

- Supply of **AIR-CONDITIONER**
 - **Type:** Window, Wall, Cassette, Ceiling & Duct
 - **Brand** – General, Hitachi & Media
- **REPAIR AND MAINTENANCE** of Air-conditioners
- **YEARLY MAINTENANCE CONTRACT** for Corporate office and Industry
- **ON-CALL HOME SUPPORT** for AC repair works
- Supply of **GEYSER**
- **DUCTING WORK**
- **TOOLS SELL**
- **SPARE PARTS** for Air-conditioners

Green Technology is covering all the retail and corporate market segment in Dhaka, Chittagong city, nearby cities of Dhaka and planned to expand through-out all over Bangladesh.
